

ACTIVE SHOOTER RESPONSE PROGRAM

EMPOWER, PROTECT, PREVAIL

Our Active Shooter Response Program delivers a cutting-edge **vulnerability assessment**, expert **countermeasures consultation and report**, a custom **Active Shooter Response Playbook**, and seamless **integration support** to harden your organization's defenses. It includes high-impact **in-person "Run, Hide, Fight" training** and a high-stakes **tabletop exercise** to prepare your team. You'll gain a confident, united workforce ready to conquer active shooter threats and dominate any crisis.

Active Shooter Vulnerability Assessment

Our cutting-edge vulnerability assessment pinpoints your facility's weak spots with surgical precision, exposing risks before they strike.

Countermeasures Consultation and Report

Expert countermeasures consultation delivers custom-crafted strategies to fortify your defenses, turning vulnerabilities into impenetrable strengths.

Custom Active Shooter Response Playbook

A tailored Active Shooter Response Playbook arms you with a battle-tested roadmap to navigate chaos and protect your people.

"Run, Hide, Fight" Training

Impactful in-person "Run, Hide, Fight" training transforms your team into a fearless, unified force ready to act decisively.

Scenario-Driven Tabletop Exercise

A capstone tabletop exercise immerses your leadership in realistic scenarios, codifying the program into a mastered, actionable response.
